GOOD... BETTER... BESTER

The Bester Quartet was formed in 1997 at the initiative of accordionist and arranger Jaroslaw Bester. Known originally as "Cracow Klezmer," the group played only traditional klezmer music. Over time, inspired by authentic folk music that blended elements

of traditional Jewish music, contemporary jazz and Balkan music, the group has created its own unique style. Since their debut album in 2000, these talented musicians have performed worldwide to much acclaim. Catch the quartet as they perform one show in Jerusalem in collaboration with the Polish Institute.

Tonight, 8:30 p.m., Beit Shmuel – Merkaz Shimshon, Jerusalem, (02) 620-3463 or www.bimot.co.il.
